## **Closed Until Further Notice**

Like many others in the surrounding communities, Palo was greatly impacted by the storms of August 10th. The main building kept us together and safe, with only one blown window and one overhead door that had collapsed. Many of the out buildings, all greenhouses, and the tree/shrub structure are ruined.

While we appreciate the calls of support for Cedar River Garden Center purchases, we will be closed until further notice.

We are with you in thought while we try and rebuild our homes and businesses.
